

Proteq Mini Series

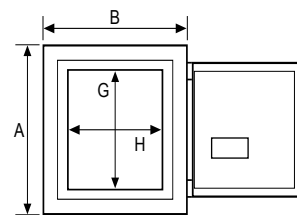

The Chubb Safes Proteq Mini Series is a compact unit designed to protect limited amounts of cash and valuables within a domestic environment. The Proteq Mini's user-friendly electronic lock comes equipped with both a user and master control function, making the unit an ideal investment as well for a small office or retail outlet with casual staff having access to the safe. The Proteq Mini is currently available in 2 sizes and may be fitted with an envelope slot facility as a standard option.
